Saturday 13th fine weather light winds from the Northward steering down the Straits one sail in sight boiling

Sept 7th left Bowes Welcome for Depot Isl. 8th went in to anchor and for two days then left for Seasle Island Sept 12th went into winter quarters, and prepared for winter in com with Sons ship the Bark Ray Last of New Bedford and the Schooner Flaggie of Do and the Schooner Cornelia and Helen E of New London sent 8 boats off 4 to look for natives and 4 to hunt returned in one time with good success Got set com building House for these for A Theatre having very good weather for the Season

From the middle of Sept to the Middle of Oct had very good weather with now and then a gale of wind from NW snow of any account from the 17 to Oct to the 22nd had a heavy gale from the N and West ward the Therm ranging from 12 above to 4 below Zero 23rd it moderated down and the Harbor began to freeze up Sunday morning have about to one Fathom ready to ship began as soon as the ice got heavy enough to hold the Ship Monday the Harbor was froze hard enough to travel from one Ship to another from the 25 of Oct to the 2nd of Nov had it very mild with Easterly and Southerly winds the ice thawing some the Therm ranging from freezing to 40 above Nov 4 very cold Therm from 6 to 12 below Zero blowing heavy from the N.W.

Remarks on board at Anchor in Mayable Sth Island

Nov 13th 64 The weather very mild for the season from the 4th up to this date the weather has been very good for the season the Ther" ranging from 12 below to 14 above Zero" the ice extending nearly across to the main land all hands in good spirits and the Ship well secured for the winter today the weather is very mild with the wind from the Eastward Ther" up to 14 above Zero"

Sunday Nov" 20th very cold with strong Breezes from the N.W. Ther" down to 12 below Zero" the weather has been very good the first week with the exception of the last two days the second of the week the Ther" ranged from 10 above to 20 latter part of the week very little snow all hands in good spirits and enjoying good health Friday night the Theatre opened for the first time and the performances went through with it beyond all expectations it was very good indeed

Sunday Nov 27th it is now blowing a heavy gale from the Eastward with snow Ther" 5 below Zero" Saturday it was down to 23 below with the wind to the Eastward the first part of the week the weather was very good for the season Ther" ranging from 14 below to 10 above Zero freezing the natives every day nothing to do but eat and sleep and amuse ourselves the best way we can

Sunday Dec" 4th the first part of the week was severe snow storm which lasted about 2 days the wind blowing heavy from the Eastward the Ther" ranging from five below to about five above Zero latter part of the week clear and cold wind from the N.W. Ther" down to 24 below Zero last night played in the Theatre for the 2nd time the Spice Pirates and Rolla it went off very well but the performance was very much affected on account of gas escaping from two charcoal stoves that was kept in the dressing rooms very little sickness in the fleet so far with the exceptions of last nights occurrence

Sunday Dec 11th first part good weather only moderate the Ther" ranging from about 5 above to 11 below but the latter part of the week has been very cold the wind from the N.W. Today the 11th the Ther" is standing at 45" below Zero" with but very light airs from the southward nothing has occured the first week of any importance a few men have got frost bitten at work Tuesday last played in the Theatre for the third time and it was very amusing

Remarks on board of Ymer in St. Lawrence harbor Dec. 1864.

Sunday Dec. 18th The first part of the week has been extreem cold with the wind from the N. and West part Ther. down to 25 and 40 below Zero. The latter part of the week has not been so cold the glass ranging from 20 to 30 below the scurvey has made its appearance in the fleet there is two cases quite bad of men that have it in their legs one crew have some symtoms of it but it has not shown itself yet for certain. The Theatre was open again last night and it went off very well indeed

Sunday 25th the weather very mild the glass ranging from 20 to 30 below North and Westerly winds prevailing. past two Walruses this week every body engaging themself the best way they can

Sunday Jany 1st Strong winds from the Westward the past week has been very mild with plenty of Easterly wind the glass ranging from 10 to 20 below the Theatre was open last night and we danced the old year out and the new one in had a jolly good time

Sunday 8th Dec. past of the week has been very blustering with strong winds from the N.E. the Ther. ranging from 15 to 30 below the latter part of the week clear but very cold the Ther ranging from 30 to 45 below the Theatre was open again last night engaged every day trying to catch a Walrus

Sunday 15th the first part of the week good weather but cold the glass from 30 to 48 below with the wind from the North & Westward the latter part of the week has been milder with an Easterly storm the men that were attached with the scurvey are all getting better since they commenced eating raw Walruss meat The ice broke up between the Isl. and main Land

Sunday 22nd good weather and verey mild the glass ranging from 10 to 20 below the first part of the week was much colder Sunday it off. started for the main by dog for the natives pride they returned without finding them by passing a bag of charcoal they got and firewood and had to come back Thursday some of the Stargeries crew started for the main after some Ptarmigan that the natives had buried and coming back they got lired and and one way or all could not be found any where the next morning all hands turned out to look for him about 9 o'clock we found poor Higgy he was entirely benumbered and blind he had laid there slumbering about all night he was frozen very bad his feet and nose

Remarks on board in Mobile Bay Harbor Jan 1865

Sunday Jan 22nd The weather has bin very mild the first week the glass ranging from Zero to 20 below Tuesday the Capt came down from Depot Sta with one Native and 9 dogs also two Natives came over from the main Land Thursday they went back for the rest of theire family there is a few men in the fleet that is afflicted with the Scurvy but not

Sunday Feb 5th fine weather today the glass standing at 25 below had two heavey gales this week from the S E and S S W the first part of the week the glass was up to 10 above Tuesday the Capt went back to Depot Sta Monday 6 Natives came over with some deer meat Thurs they went back again for their families we have had a go of wind from all points of the compass this week and some snow the glass averageing 10 below

Sunday Feb 12th Sta has bin very mild all the week the glass has bin up to 12 above but it has bin very bla mostly Easterly gales all week as usual

Sunday Feb 19th quite mild all the first part of the week the glass ranging about 5 below Tuesday the 22nd Washingtons birthday was celebrated with A grand dress ball on the St. Tells and St Inspes the latter part of the week has bin very blustering glass down to 30 and 40 below. × See order of Dances last page in Book

Sunday Feb 26th quite still but very cold the glass down to 42 below light winds from the Westward

Sunday March 5th blowing A gale from the S E and quite cold the glass down to 25 below the past week has been very cold and windy the coldest we have had this winter the glass has been down to 5 & below Last night was the last Theatre as the winter amu A very good one it was too

Sunday March 12th the weather has been very severe all the week blowing A gale of wind all the time and very cold the glass ranging from 40 to 20 below all the wee Tuesday 28 Natives came to the Ships with little meat and deerskins to trade Thursday they went back again the men Afflicted with the Scurvy seem to grow worse

Sunday March 19th fine weather today been very bad all t week the glass standing today at Zero the Natives have be over this week and brought lots of deer meat the sick men are getting along finely

Remarks on board in Noble Sd Harbor March 1865

Sunday March 26th blowing A gale from the S East now the glass standing 10 above by the past week the glass has ranged from 29 below to 29 above the few days this week has been very pleasant the Natives 99 and come about every week they live bout 25 miles from the Ships

Sunday April 2nd the past week has been very pleasant East and Southerly winds the glass has been from 10 below to 30 above today three families of Natives came to the Ships to sit down one to the Cornelia and two to us the Sawyer men appears to get along first rate all but two or three cases up to the house which are very bad

Sunday April 9th blowing A gale from the N W and very cold the glass down to 32 below Zero in the morning the past week has been very cold and blustering the wind has been blowing A gale all the week from N and northward the glass has ranged from 12 above to 38 below all hands as well as common the Natives have arrived this week had A grand Ball last night for the Captain and Officers

Sunday April 16th the most of the week has been very cold and blustering A gale of wind about all the time the glass ranging from 38 below to 10 above the last two days has been very pleasant the Natives went out yesterday and struck A Walrus but their iron broke so they did not get him

Sunday April 23rd Stong Breezes from the Eastward the past week has been very blustering A gale of wind about all the time and very cold for the season the glass ranging from 20 below to 30 above got off about 20 tons of stone ballast Friday the Natives went to Walrus the Sawyer men are all getting better last the ice is packed around the Island as far as the eye can reach in all directions

Sunday April 30th the past week has been very blustering with strong Easterly weather winds and A day or snow storm the glass ranging from Zero to 28 above the ice has broken off from the S E to the N W end of the Island in some places close in to the rocks and some places within A half mile it took away two whaleboats and one yawl boat that we had left on the flats to go Walrussing in Sunday it is blowing heavy from the Northward the glass has been down to 10 below today it looks more like winter than it does like spring

Remarks on board in Marble Isl. Harbor May 76

Sunday May 7th The first part of the past week was quite mild but the latter part has been very blustering with snow storms today it is blowing hard from the Northward the glass down to 8 degs it has been as high as 34 above 0 deg. The first part of the last week we have been getting things to go down to the East end of the Isl to camp Wednesday with

Sunday May 14th today the wind is blowing strong from the Northward and cold the wind has been from S and West all the past week the glass ranging from 10 below to 25 above the pack has gone off on the South side of the Island out of sight last Monday we commenced carring our stuff down to the N.E. end of the Isld to get ready for shaving Tuesday we built on house down there the weather keeps so cold that we cant do any thing without freezing the men on men are all well with the exception of one and he has not got the Scurvy in a large patch swelled up on the side of his neck The Natives went back last Monday

the Ship so ends this Day.

Sunday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 12 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 13 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 21 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 22 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 23 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 24 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 25 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 26 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 27 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 28 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 29 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 30 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 31 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 1 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 2 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 12 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 13 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 21 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 22 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 23 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 24 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 25 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 26 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 27 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 28 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 29 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 30 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 31 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 1 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 2 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 12 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 13 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 21 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 22 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 23 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 24 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 25 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 26 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 27 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 28 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 29 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 30 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 31 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 1 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 2 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 12 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 13 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 21 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 22 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 23 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 24 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 25 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 26 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 27 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 28 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 29 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 30 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 31 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 1 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 2 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 12 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 13 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 21 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 22 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 23 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 24 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 25 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 26 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 27 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 28 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 29 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 30 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 31 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 1 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 2 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 12 Variable Winds

Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 21 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 22 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 23 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 24 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 25 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 26 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 27 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 28 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 29 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 30 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 31 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 1 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 2 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 3 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 4 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 5 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 6 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 7 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 8 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 9 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 10 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 11 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 12 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 13 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Monday 14 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Tuesday 15 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Wednesday 16 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Thursday 17 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Friday 18 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Saturday 19 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this Day.

Sunday 20 Variable Winds
Steer the N.W. by good
Ship Fined Ditto Steering
S.E. by South for Fayal
Basically employed about
the Ship so ends this

Bark A. R. Tucker.

Amount of Oil stowed down on the Voyage

Sent home 1861 130 bbls of sperm one bbls of Spts Turpentine
Dec 30th 1861 stowed down 37 bbls
Jan 18 1862 stowed down 20 bbls
Feb 26 1862 stowed down 20 bbls 130 11
May 1862 stowed down 90 bbls 167 Total 297 308
June 21 1862 stowed down 30 bbls 398
July 22 1862 stowed down 58 bbls 398
Sept 4th 1862 stowed down 50 bbls 438
Dec 14th 1862 stowed down 22 bbls 396
March 14th 1863 stowed down 98 bbls
April 6th 1863 stowed down 37 bbls
Sept Oct 163 stowed down 130 bbls

1 — Cotillion
2 — "
3 — "
4 — "
5 — Scholtische
6 — Cotillion
7 — "
8 — "
9 — "
10 — Varsovienne
11 — Cotillion
12 — Opera Reel
13 — Cotillion
14 — "
15 — Scholtische
16 — Contra Dance
17 — Cotillion
18 — "
19 — "
20 — "

After which the Company will partake of a Supper given by Captain of the fleet.

H. C. Chester
Manager

Long: determinated by two equal altitudes taken 20 minutes before and 20 min: after noon note the time by the chron: of each Alt: add them together and get the half sum apply the rate of the Chro's and apply the equation of time the reverse as it is given in the Nautical Almanac and you will have the true Apparent time

69 50
69 47
